Ephrata Night at the Ballpark with the Ephrata Elks American Flag and the Young Marines Honor Guard

Bits of News

Living Waters Theatre to close after 2010 season
 Governor Rendell proposes prescription help for 30,000 more older adults – pharmaceutical companies may oppose paying the tab
 Lancaster Convention Center are getting close to the opening
 Governor Rendell to sign legislation that would extend health insurance rights to employees of small businesses
 Pennsylvania Senate Democrats are trying to resurrect an overhaul of corporate taxes
 Rising interest on nations' debts may sap world growth – many countries are finding themselves in the same situation as embattled consumers: paying higher interest rates

DEI is sponsoring a beautification project in downtown Ephrata. A mural will be designed and painted on one of the buildings near the train station. Community residents are invited to give input on Monday, June 8, 6:30 p.m. in the DEI office (in the back of the train station). Shown in the photo are Bassem Joursri, visual artist from Temple University, Angela Maxol, landscape architecture from University of Florida, and Bailee Kauffman, community environment and development from Pennsylvania State University.
